

Globsco promises to disrupt patent filing

SANTA CLARA, Calif. - Oct. 10, 2024 - [PRLog](#) -- Globesco LLC, a global business support company, is set to disrupt the intellectual property landscape by offering the highest quality patent filing services at an unprecedented low cost. Leveraging on a team of expert patent writers, academicians, and subject matter specialists, Globesco ensures that its clients can secure robust, defensible patents with ease and efficiency. This will especially help early-stage companies and inventors who might lack the financial resources to file high-quality patents, enabling them to secure intellectual property that could be worth billions of dollars in the future, said S.Kumar, Managing Partner at Globesco. Globesco's website, www.globsco.com, is designed to provide a seamless, user-friendly experience for inventors and companies. As an e-commerce platform, it allows customers to manage the entire patent filing process—from consultation to final submission—directly online, making the process more convenient and transparent than ever before. For more information about Globesco and its patent filing services, please visit <http://www.globsco.com> or email contact.globsco@globsco.com
